MEMORANDUM FOR: Director, Office of Basic and
Geographic Intelligence

SUBJECT : Identification of CIA Employee in
Unclassified Publication

25X1A

This is in response to [REDACTED] request that "credit lines" be authorized to recognize the contribution which various Agency employees made (on their own time) to the publication, The Odyssey World Atlas. I have discussed this request with Colonel White with the following results:

1. Approval is granted for the inclusion of the following notation on the page headed "CONSULTANTS":

25X1A

[REDACTED]
Consulting Thematic Editor
Geographer, Central Intelligence Agency

2. No general acknowledgement of or reference to "a group of professional geographers in the Central Intelligence Agency" is authorized.

EDWARD W. PROCTOR
Assistant Deputy Director for Intelligence
